Religious Education Parent Handbook

Dear God our Father, you have called all Christian families to be a sign of your love to the world. Help us to be generous with the gifts of life and love that you have showered on our family. May we share them so that our homes become true signs of unitive and fruitful love and let us never forget to thank you each day for all that sustains us. Father, we ask this in Jesus' name in union with the Holy Spirit. Amen

Catechetical Sunday on September 17, 2018 *“Living as Missionary Disciples”*

Those within the community, that have been designated to serve as catechists and aides will be called forth to be commissioned for their ministry. Catechetical Sunday is a wonderful opportunity to reflect on the role that each person plays, by virtue of Baptism, in handing on the faith and being a witness to the Gospel. Catechetical Sunday is an opportunity for all to rededicate themselves to this mission as a community of faith.

—United States Conference of Catholic Bishops

A Prayer for Catechists

O God, our Heavenly Father; You have given us the gift of these catechists to be heralds of the Gospel to our parish family.

We lift them up to You in thanksgiving and intercede for them concerning their hopes and needs. May we be attentive to the presence of Your Word in them, a Word that lifts up and affirms, calls forth and challenges, is compassionate and consoles.

We pray that our parish family will always be blessed with those who have responded to the call to share in Christ’s prophetic mission as catechists. May we too be open to the universal call to service that Christ addresses to all of his disciples, contributing our gifts to the communion of faith, the Church. We ask this in Jesus’ name. Amen

Unfortunately many young people have experienced the trauma of physical abuse and neglect and/or sexual abuse. Catechists may learn of such abuse from a young person or see the signs of such abuse due to regular contact. When we learn of such situations, we have a moral and legal obligation to take action.

Texas state law states in Section 34.01 of the Family Code:

CONTACT CIVIL AUTHORITIES:

Any case of abuse or suspected abuse should be reported to civil authorities.

Contact the local or state law enforcement agencies or the Texas Department of Protective and Regulatory Services:

1 800-252-5400 – If a person is in immediate danger call 911.

If you have any questions about whether or not you should report a suspected case of abuse or neglect please call the hotline. They can advise you on whether the signs you have observed are abuse.

IF CHURCH PERSONNEL IS INVOLVED:

In the event the suspected abuser is a priest, deacon or member of the religious community, or a layperson either employed by or in volunteer service of the Diocese of Victoria, you must follow the steps outlined in the Diocesan Policy. Copies of this policy are available at the Holy Cross Rectory Office and at the Activity Center:

The Victoria Diocese also requires children enrolled in the Holy Cross Religious Education program and their parents to attend training sessions in the Safe Environment Program. These training sessions are held during the school year and listed in the Holy Cross Religious Education Schedule. This catechesis helps children|youth and parents|guardians with basic safety skills, recognition of dangerous and abusive situations, and the ability for children|youth to identify trusting adults with whom to speak. It is important that everyone be present at the scheduled training sessions. Holy Cross parish is required to report attendance for these training sessions and your compliance is appreciated. Sessions will be listed in the weekly church bulletin as well as on the Religious Education Schedule.

Parents will be expected to attend and comply with all Safe Environment Requirements required by the diocese.

It is important that your student(s) attend classes regularly and consistently; even with make-up work a student who misses a lot of classes will be at a disadvantage. Attendance is recorded each time class meets. All attendance records are kept in the students permanent records on file in the parish office at the completion of the year.

If you know in advance that your student will be absent, please inform the students' catechist or the parish office the week prior to the absence. If your child will be missing some classes on a regular basis (i.e. shared custody) contact the parish office or your students' catechist so your situation can be addressed.

ARRIVAL AND DEPARTURE OF STUDENTS

Before dropping off your child, make sure teacher/aides are there, because there are times when mass runs over and we don't want children left unattended. All students should be picked up promptly to ensure their safety but, also, to be respectful of the catechists. Always remember to value and appreciate the generous time every catechist volunteers towards the success of the Holy Cross Religious Education program. Transportation to and from all classes and events|retreats sponsored by the Victoria Diocese and/or Holy Cross Church will be the responsibility of the parents|guardian.

STUDENT ILLNESS

In case of student illness or similar emergency, the catechist will notify the parent|guardian and make arrangements for the student to be picked-up immediately. For this reason it is important that we have a working number where you can be reached when your child|youth is in class. When a parent|guardian cannot be contacted, the person listed as your 'emergency contact' will be notified. Please let us know promptly if you have a change in telephone number or if your emergency contact has changed.

HEALTH CONCERNS AND MEDICATION

The policy of the Holy Cross Religious Education program is for no catechist or other personnel in the program to administer medication to a student. However, in cases of great need, medication will be distributed with the signed permission of the parent|guardian of the student. If your child|youth is on medication that makes him/her extremely sleepy or has other side effects please let the catechist or aide know in advance. If the student is on medication for hyperactivity, please make sure that his/her medication is in effect during religious education time. Health concerns should be brought to the attention of the Catechist and Director of Religious Education during registration and updated as the need arises. As a matter of policy, please do not allow your child|youth to bring either prescription or non-prescription medication on campus. Please let us know if your student has an allergy to any food items. Both catechist and parish office should know of any medical condition that might warrant a need for extra caution or supervision. All information will remain confidential.

The Diocese of Victoria has a wonderful website available online; www.victoriadiocese.org offers all parish families access to current events, training opportunities, and a library and media center as well as daily spiritual reflections through scripture readings. Visit their site or call 361-573-0828 for more information. You can also visit www.usccb.org for more information and links to free apps for your phone or iPad.

COMMUNICATIONS

Cell phones and tablets may be brought on campus, but they must be silenced before class time and/or collected before class to minimize distractions. If any device sounds during class time, the device will be brought to the catechist and will be returned to the student after class.

If for some reason, you need to reach your student during class, call the parish office and arrangements will be made to contact your student immediately. Students will always be permitted to return a call to their parents.

Parents|Guardians will be kept informed of upcoming events during the school year through newsletters and memo's and notes from the student's catechist. Catechists also send home reports and tests; please check with your student(s) weekly.

DISCIPLINE AND PROBLEM SITUATIONS

All students are expected to share in the faith learning experiences of the Holy Cross Religious Education program. The behavior of students should reflect respect. Each student has a responsibility to his/her fellow students and the catechists and staff to create and maintain a Christian atmosphere.

The principles are respect others, and their belongings; Respect all parish|school property. Be prepared to learn by being prepared for class; Share your faith; Do your own work; Show appropriate behavior in the classroom and hallway; be mindful that the Church is a sacred place and it is to be treated as such.

Parents|Guardians are the resource for help with a behavioral need. The catechist and Pastor will seek the parents|guardian suggestions as to the cause of inappropriate behavior. This collaboration will result in positive approaches to working with and/or ending the behavior. If a student's behavior disrupts the learning process for himself/herself or for others, the steps listed will be followed to ensure that class participation may continue. Behavior appropriate for the Holy Cross Religious Education classroom is equivalent to that extended in the school setting. Catechists will use positive discipline methods when needed to reinforce those expectations. The Holy Cross Religious Education program discipline procedure is based on rules and consequences. There are few rules but they must be enforced clearly, concisely and consistently.

CONSEQUENCES OF ACTIONS OF STUDENTS

- At the first incident the student will be reminded of expected behavior and the consequences of misbehavior
- After the second incident, the student will be sent to the pastor about appropriate behavior and possible solutions to the problem. A disciplinary letter, written by the student explaining his/her fault is mailed to the parents on the next business day.
- After returning to class if there are repeated problems the students' parent|guardian will be called.
- Severe problems or ongoing problems may result in the dismissal from the program, or parent|guardian attendance may be required to continue in class.
- **Any student caught with illegal substances (i.e., drugs or alcohol, etc.) will be turned over to legal authorities.**

REPORTS AND TESTING

Standardized pre- and post-tests are given to all students in grades 1-5. Catechists also give chapter reviews and finals in all grades. You will be sent reports letting you know the progress of your students. If, at any time, you have questions please check with the parish office.

EMERGENCY CLASS CANCELLATION

If local schools are closed due to an emergency situation, Holy Cross Religious Education classes will be cancelled. If there is a weather concern, classes may be cancelled. If there is a severe weather emergency before students arrive at religious education, classes will be cancelled. If the weather emergency arises after classes begin, the parent|guardian may pick up their student(s) early. All students will be moved to downstairs in the Activity Center and the parent|guardian will pick them up from there.

FIRE SAFETY AND DISASTER PREPARATION

Fire drills will be conducted in accordance with the local fire department. Each catechist and classroom has an evacuation site and procedure to follow. We will conduct unannounced fire drills during the year. Plans for other natural disasters are in place and may be viewed in the parish office or you may check with your student's catechist. All students are expected to follow the catechist and adult instructions. Parents|Guardians are asked to pick up students downstairs in the event of a situation that requires early dismissal and vacating the campus. The Activity Center is located on the East side of the parking lot.

RIGHT TO AMEND

This handbook is primary a means of communication. It is meant to provide you the parent|guardian, with helpful information on how we intend to go about our work. The Holy Cross Religious Education Program reserves the right to amend this handbook as necessary. Parents|Guardians will be notified, in writing, if changes are made to any procedures or information contained in this handbook.
