www.loyolapress.com

www.americancatholic.org

www.worldbookonline.com

For books on saints, visit your school and local libraries, Catholic shops and also the parish libraries (where available). We also have an assortment of books about saints in the Religious Education office in the school that may be borrowed.

Have fun choosing your name...there are so many great saints and their stories are quite fascinating! We are all called to be saints, each in our own way, with the talents and gifts that God has given to each of us.

*“When things go your way, don’t think of it as being lucky,
but as being BLESSED!”*
